Dear Parents,

### Easter Exchange Programme for Students 2012

During the previous Easter holidays, we have arranged for DS students to go to primary and secondary schools in Mainland China to experience student life there, and the programme has reaped considerable benefits. In 2012, we shall continue this worthy project. We have successfully linked with several primary and secondary schools in Shenzhen, Guangzhou and Foshan, and the "Easter Exchange Programme" will be hosted on these school campuses. Participating students from DS1 to DS5 will study in these schools for three days. The programme is from 8 to 11 April. Students will set out from Hong Kong on 8 April, and will be accommodated in designated hotels. They will attend lessons from 9 to 11 April, and will leave and return to Hong Kong in the evening of 11 April.

While the students are having lessons and activities on campus, parents will have to arrange their own activities. For this programme, we will assist students and parents in booking hotels and buses. The accommodation and transportation expenses are expected to be approximately HK\$1,400 per person. Students must be accompanied by an adult family member. Students and parents participating in the programme should purchase their own travel insurance plans and check the validity of their travel documents (e.g. Home Visit Permit).

Please complete the Reply Slip and have your child return it to his/her homeroom teacher by 15 November (Tuesday). If more than one child from your family wish to participate in this programme, you (as one family unit) should return only one Reply Slip. Further details about the programme will be notified later, subject to the final arrangements as decided by the schools.

Yours sincerely,

Stephen Lui  
Acting Principal
