Dear Parents,

Latest Development of the School

Every year, the school offers scholarships to students with excellent academic performance. After the School Management Committee meeting on 27 October 2011, it was resolved that the school should extend the scope of academic awards to every level, set up scholarships for senior form students and introduce non-academic awards to celebrate and encourage students' balanced development in various domains. In addition, the school will increase teaching resources, further enhance the quality of teaching staff and strengthen team work, with a view to promoting pleasurable and effective learning for our students.

Parents' evenings (by levels) will be held soon to elaborate the latest development of the school, such as the progress on the establishment of the Parent-Teacher Association and the Principal Selection Board, IB Diploma Programme tuition fee and the continuation of exchange programmes with sister schools in Mainland China. Tentatively, the parents' evenings (by levels) are scheduled to be held between 28 November and 2 December 2011. Details of the parents' evenings will be announced in due course.

Yours sincerely,

Stephen Lui
Acting Principal
