Circular to Parents, School Year 11-12

FS1 No.45

DS4 No.46

Dear Parents,

Vaccination

An immunisation team of the Department of Health will visit our school in the morning of 9 November (Friday) to give Measles, Mumps and Rubella (MMR) vaccine to eligible FS1 and DS4 students and to offer hepatitis B vaccine to eligible DS4 students. Parents are advised to take note of the following points:

1. Please remind your child to wear loose clothing on that day to facilitate the vaccination process.
2. Please remind your child to have breakfast before coming to school on that day.
3. As the immunisation team will visit our school once again during this school year to give another vaccine to eligible FS1 and DS4 students, students' immunisation records will be kept by the school for the time being. Immunisation records will be returned to students upon the completion of the vaccination for this school year.

Yours sincerely,

Stephen Lui
Acting Principal
