

Dear Parents,

"Get your brain running..." Science Workshop

Our school will organize a series of enrichment programmes in November to develop students' critical and creative mind. Details are as follows:

Code	Date	Time	Venue	Program	Content	Capacity	Target Participants
FS2- 001	12/11/2011	12:45 - 14:45	Rm112A Campus 1	Sound of Music	Study of Sound Energy	15 -20	FS2
DS1- 001	19/11/2011	14:00 - 16:00		Escape from the Electrical Maze	Study of Electrical Energy	15 -20	DS1
FS2-002	26/11/2011	10:00 - 12:00		Fly High and Touch the Sky	Under-standing Aerodynamics	15 -20	FS2
DS1-002	26/11/2011	13:00 - 15:00				15 -20	DS1

The workshops are co-ordinated by the school's Educational Psychology Unit, who had invited WORKSHOP DYNAMICS - HANDS-ON SCIENCE LEARNING, an organization specialized in designing science-oriented enrichment programmes for school-age children. Through lecturing and hands-on activities, participants will acquire basic knowledge in the respective science topics and be able to develop their critical and creative thinking skills.

Fees: The fee for each participant is HK\$ 280, covering the cost for the materials and honourarium for the lecturer/facilitator of the programme.

Enrollment: Interested parents please fill in the Reply Slip and have your child return it to his/her homeroom teacher by tomorrow, Nov 4 (Friday). Parents will be informed of the result of the application and arrangements for fee payment by the school either via phone or a written notice by November 8. **(Do not include any payment for the time being)**

As places for the programmes are limited, the school might not be able to accommodate every applicant. Alternative arrangements will be made as far as possible if the programmes are over-subscribed.

For enquiries, please contact Mr. William Ma (Educational Psychologist), Ms. Vanessa Ho (Educational Psychologist) or Ms. Vivian Tsang (Learning Support Assistant).

Yours sincerely,

Stephen Lui
Acting Principal
