Circular to Parents, School Year 12-13

DS4 No.10

DS5 No.9

Dear Parents,

**Arrangements for Elective Subjects**

Earlier in July, parents were asked to indicate their wishes for their children to take an elective subject selected from French, Spanish and Music Composition. We informed you that for those choosing French and Spanish, one of the two weekly lessons would be a supervised practice lesson held after school on a weekday.

As some of the students taking the third language would be taking the school bus regularly, we need to ensure that the arrangements are acceptable to all concerned. Thus, if your child is taking French or Spanish, please indicate your preferences of the weekday for the practice lesson below so that we can try our best to work out a schedule most convenient to all students.

For those who cannot attend these sessions at all, we may ask the students to have private practice using CDs at home in their spare time, though it should be understood that the effectiveness of this mode of study is considerably lower than supervised practice.

Please fill in the Reply Slip and have your child return it to his/her homeroom teacher on or before 7<sup>th</sup> September (Friday).

Yours sincerely,

Paul CHO  
Principal
