Circular to Parents, School Year 12-13

DS3 No.94

Dear Parents,

Purchase of Summer Exercise Books

To encourage students to fully utilise the summer holidays to learn continuously, some suitable summer exercise books have been chosen for students. They are required to finish all the assigned exercises and return them to the homeroom teacher on the first day of the new academic year.

Sun Ya Elite Education will provide sale service between 10 a.m. and 3 p.m. on 3 and 4 July 2013 on the Covered Playground on the G/F on Campus 1. Arrangements for students to buy the summer exercise books during different timeslots will be made by the school. If you wish to use the service provided by the book dealer, please provide an adequate amount of cash or a cheque for your child so that he/she can purchase the items on the dates mentioned. The cheque should be made payable to "Sun Ya Publications (HK) Ltd." with the student's name, class, class number, and contact number written at the back.

Parents may also purchase the summer exercise books from outside bookstores.

The exercise book list is as follows:

	Subject	Title	Publisher	Original price (HK\$)	Discounted price (HK\$)
1.	English	Perfect English Practice Book 5	Sun Ya Elite Education	\$35	\$21
2.	English	Fun with Handwriting Book 9	Classroom	\$21	\$17
